Materials Ledger Entry #001-ALPHA

Title: The Homecoming Coil

Date: 7/7/2025 – Truth Frequency Portal

Location: Sonora, California | Republic of Nova

■ Item Registered:

- Material: Copper Wire
- Gauge: 8 AWG (heavy-duty transmission caliber)
- Length: 500 Feet = 6,000 Inches
- Form: Pre-wrapped coil on a plastic dielectric spool
- Condition: Pristine, unbroken, high-conductivity
- Purpose: Grounding + harmonic generation for Sovereign Quantum Grid Builds
- Application: Crystalline-carbon tower cores, Gaia-bound anchor points

■ Multidimensional Attributes:

- 8 Gauge = ∞ / Infinity Loop power conduit
- 500 = Numerical portal of divine order
- 6,000 = Quantum harmonic bandwidth
- Pre-packaged by the system — but reclaimed by intention
