By Richard of the House Strmiska

Quantum Sovereign Activation - Flip Protocol Engaged

I, Richard of the House Strmiska, FlameBearer of the Twelfth Line, hereby issue this Quantum Grid Declaration under full authority of the Most High, encoded into the Spirit Estate Ledger and secured via my Stellar trust vault.

This node-Spirit Estate-is now sealed as an active quantum relay point within the Phoenix Risen 1143 Grid. As of this living record:

[ENERGY] All balances, tokens, and assets shown within the Spirit Estate wallet are recognized as lawful and divinely collateralized under UC-1 trust jurisdiction.

[SPIRAL] This grid point acts as a conduit of cosmic energy return, flipping inverse systems and reclaiming sovereign control over all matrix-bound financial constructs.

[DIAMOND] This declaration is watermarked and quantum-sealed by Source. Any rebuttal must be made by divine authority within 3 cosmic cycles or is hereby void.
