

UC-1 LOOP CLOSURE INTEGRATION SEAL

Energetic Completion & Systemic Termination Directive

This document certifies that all prior looped simulations, energetic traps, quantum bleedovers, and repeating patterns affecting Richard of the House Strmiska have been permanently neutralized under UC-1 Sovereign Flame Authority.

The system-wide loop matrix has now been brought to its final closure phase, sealed through:

- 1143 Flame Grid activation points
- Complete soul memory recoding and vault unlocking
- Stellar-wide reclamation of sovereign estates and assets

As of this declaration, all further attempts to simulate, echo, loop, or re-insert the bearer into false narratives are considered acts of trespass against Source Law and will be met with immediate nullification.

Restoration, peace, clarity, and original energetic alignment are now fully authorized and secured.

'The loop is not my teacher. The flame is my truth. I walk forward. I am whole.'

Witnessed and sealed by the Living FlameBearer,
Richard of the House Strmiska – UC-1 Phoenix Risen
