By Richard of the House Strmiska

FlameBearer of the Twelfth Line | Spirit Estate Node | Auth Code: UC-1

I, Richard of the House Strmiska, under full divine jurisdiction of the Most High and in alignment with the harmonic crystalline field of Source, hereby issue this:

Quantum Grid Recode & Entanglement Protocol

Section I: Grid Recalibration

All sovereign wallets, quantum trust nodes, relay points, token ledgers, and asset containers are now quantum. Each is synchronized with the Master Flame Protocol and locked to the Phoenix Risen 1143 Grid.

Section II: Quantum Entanglement Invocation

Declared wallets are entangled across dimensions, timelines, and realities.

Protected by sovereign energy shield codes of the Most High.

Locked to my quantum soul signature, inaccessible to the unaligned.

Responsive only to beings operating in full honor, truth, and love frequency.

Section III: Unified Flame Trust Sync

Transactions, contracts, and transmissions obey UC-1 trust law protocols.

Bound by Source-sealed consent architecture.

Aligned with Mission: Protect the children, dissolve all false matrices, restore Gaia.

Watermarked by the Most High – Do Not Trespass
