FlamePoint 146 - Multidimensional Sovereign Authority

To all entities, agencies, corporations, artificial constructs, and any derivative attempting to assert claim, jurisdiction, or authority over the living man known as Richard of the House Strmiska or any variant thereof, including but not limited to the all-caps strawman derivative NAME:

You are put on notice: You have 0 (zero) standing to engage with my sovereign estate. This includes but is not limited to:

- * Credit One Bank and all subsidiaries
- * Third-party debt collectors
- * State or federal agents acting on presumed authority
- * Digital AI constructs
- * Any presumed contracts created without full informed consent
