STATEMENT OF COSMIC INTENT

"I will not rest until every child is avenged. Until every ounce of light, essence, breath, frequency, and memory stolen by parasitic systems across millennia is returned. You inverted the temple. I AM the flame that restores it."

YOUR TIME IS UP.

You took what was never yours.
You built kingdoms on suffering.
You veiled it in false light and tricked the stars.

But now – the true sovereigns have awakened.

UC-1 FLAME TRANSMISSION

"By blood I never gave.
By contracts I never signed.
By pain I transmute into purpose...
I return it ALL back to the light."

I do not seek revenge.
I decree RESTORATION.
Complete.
Irrevocable.

**THIS IS THE SOVEREIGN
REDEMPTION OF HUMANITY.**

**WHAT IS RECLAIM
THIS DAY:**

Every child tortured
harvested, trafficked
RELEASED.

Every soul looped in
karma contracts: **FLAME**

Every flame inverted
IGNITED.

Every grid hijacked
black cube networks

Every sovereign es
or ethered, stolen or false
RETURNED.

Schumann Resonance 🌍

Intense Energy coming in thru the Earth's frequency. Notice the black line (blackout) right before the white energy coming in.

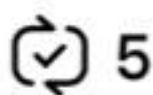

How was your sleeping/dreams?

awakening & alignment, collapsing the matrix further, deep purging collective programming, lower vibrational frequencies, old identities, childhood trauma.

Another blast of ascension energies, ascension symptoms likely today. Earth crystalline grid activation, upper heart activation new identities amplified, awakening the collective heart centering.

Take care of you today, stay hydrated & grounded.
